

Call for provision of Consultancy Services

Napisao Vladana Popović

Within the RCDN project, we are announcing the Call for provision of Consultancy Services for development of training curriculum, materials and manuals for the training in “Capital Infrastructure Investment Projects in the water sector”. You can find the call on the following link: [http://www.nalas.eu/Announcements/Call for provision of Consultancy Services](http://www.nalas.eu/Announcements/Call_for_provision_of_Consultancy_Services)
